## Staffing Update:

Anita Hartfield, our esteemed Assisted Living Manager, will be embarking on a new chapter in her life as she retires on March 31, 2025. Anita joined our organization in 2016 on a part-time basis, coinciding with the anticipated growth of the Assisted Living program. By 2019, the program had indeed expanded, with all Personal Support Workers transitioning to become employees under Ingersoll Services for Seniors, rather than an external company. Under Anita's vigilant leadership, the Assisted Living program has flourished, and we are immensely grateful for her dedication and contributions to Ingersoll Services for Seniors. We wish her all the joy in the world as she enjoys her golden years sailing around the globe with Steve—you truly deserve this happiness!

In light of this transition, we are pleased to announce Megan Blair as Anita's successor in the role of Assisted Living Manager. Megan, a familiar face within our organization, began her journey as a volunteer in the summer of 2020 and has since demonstrated unwavering commitment in various roles across all three of our centers: Assisted Living, Community Support Services, and the Activity Centre. It is through this tapestry of experience, coupled with her pursuit of a PhD, that Megan was selected for this esteemed position. Megan will commence her part-time training in January and will fully assume the role on April 1st.

Please join us in expressing our gratitude to Anita for her remarkable service and in warmly welcoming Megan to our team.

# ORGANIZATION UPDATES

## From the Desk of our Executive Director:

December was a whirlwind of excitement, both at our center and in the community! We kicked off the month with a bang at our fabulous 30th Anniversary celebration—it was a blast for everyone who joined! We took a stroll down memory lane but also peeked into the future for the next 30 years. We've got some paper in the front lobby just waiting for your bright ideas... so swing by and share what you'd love to see!

Our Christmas Dinner was a sparkling soirée, transforming our Activity Room into a feast for the senses with scrumptious food, enchanting bell music, and a hilarious skit that had everyone in stitches! Then, our Christmas Open House was a hit, featuring fabulous tunes from our talented choir, tasty treats from our staff, and an unforgettable jeopardy game led by the amazing Jenny, our co-op student.

Get ready for January, packed with fresh fitness programs to tackle those New Year's resolutions and a lineup of fun recreation activities to banish those winter blues! Can't wait to see you all soon!

## A note from Robin and Victoria

We hope everyone enjoys their holiday season. We wish we could be open more during the holidays, but please know we are just a phone call away if something is needed or you'd just like to catch up for a few minutes!

During the holidays, we'll be taking some time with our families, but also planning for the new year! We have lots of ideas to implement and we hope you'll volunteer to help with many of the events as well!

On January 20th, we'll be having our first Outdoor Club meeting. If you have any interest in hiking, canoeing, birding, or camping, come out and help us plan some new activities.

On January 14th, we will be hosting the first Men's Shed meeting here in Ingersoll. We are excited to team up with the Tillsonburg Senior Centre on this new project. Members will help plan activities they are interested in. We hope to engage in some volunteer, community projects with our woodshop as well as attend presentations and workshops on relevant topics. Please come out and see what it's all about!

There are a few new fitness classes starting in January. Some are registered and some are drop-in. Please come and check them out. As a 30th Anniversary gift to members, drop-in fitness class prices have been reduced to \$3/member and \$6/non-member from January 1st to December 31st, 2025. All drop-in fitness classes will be FREE from January 6th to 10th.

You'll notice some Save the Date announcements for a few special events and fundraisers. We've also included many presentation and workshop dates to help fill your 2025 calendar!

Please take a minute to fill out our 30th Anniversary Survey at the back of this newsletter and hand it in by Friday, January 17th.

Part of the class is performed on the floor; participants are encouraged to bring their own mats. This class is suitable for all fitness levels.

**\*Tai Chi:** Monday @ 12:15am. Tai Chi is a gentle, slow-moving practice that can be done standing as well as seated. The class starts with warmups to prepare our muscles and increase our blood flow. We end with "warm downs", as we take the time to allow the energy to flow to every cell in our bodies. This helps to calm and soothe our minds and emotions, and feels so darn good, ready for whatever the day brings.

### Program Volunteers

We are always looking for assistance to help run our many programs including various card and table games, darts, choir, musical and creative programs including knitting and language classes. Our Fitness Volunteers are able to help spot and encourage participants, keeping an eye on any safety concerns. Many members love learning and appreciate opportunities to attend various presentations on topics of interest. We would love to have additional volunteers to assist with current programming, but also for new programming. If you have a new idea, please let us know!

Requirements: Fitness Volunteers should have a passion for active living and ability to be moderately active for 60 minutes. Other Program Volunteers should have knowledge or being willing to learn about the program they are helping organize and facilitate.

Time Commitment: Scheduled time of the program (most likely weekly for one to three hours).

### Kitchen Volunteers

Our kitchen volunteers are needed to assist with food prep, serving, clearing tables, and washing dishes. We serve two lunches each week for Centre members and clients (Tuesday and Friday), as well as lunch for the Rotary Club on Thursdays twice a month. In addition, we need assistance with Celebration of Life events and various rentals throughout the week and on weekends.

Requirements: Food Handler Certification is not required, but an asset. Able to lift plates and stand in kitchen.

Time Commitment: Two shifts each month. Opportunities available for Tuesday (9:30am to 12pm), 1st and 3rd Thursday of each month (10am to 1:30pm), Friday (between 9:30am to 1:30pm), and weekends as needed.

### Special Events and Fundraisers

We love to celebrate and gather for holidays, themed events, fundraisers, and more! Depending on the event, assistance is needed with setting up and taking down (tables and chairs), decorating, putting together Christmas greens, food preparation and kitchen tasks, baking, BBQing, pricing, greeting, selling tickets, cash and card sales, and sorting items throughout the year (yard sale and bazaar). Some of our events include Bells and Bows Bazaar, Yard Sale, Garden Party, Fish Fry, Country Cruise Day, Car Show, holiday dinners, and more!

Requirements: A positive attitude and passion for the Centre! For more active tasks, ability to lift. Seated tasks always available!

Time Commitment: Depends on the event, anywhere from two hours a month to six hours each week for ongoing projects.

## Rental Volunteers

This month we are looking for help with our weekend and special event rentals. This includes help with food preparation, serving, dishes, and setting up and tearing down tables and chairs from various room setups on weekends and evenings.

### Transportation Volunteers

Our driving service has been developed to assist seniors and adults with disabilities in our community who need help getting to appointments and activities. You get reimbursed for your mileage (50 cents/km).

Requirements: You will need to provide a copy of your current driver's license and insurance policy, OPP vulnerable sector and police check, and references and to complete our application.

Time Commitment: This program is very flexible. You can drive as much or as little as you wish. Some of our drivers provide rides once a month and some multiple times a week.

### Meals on Wheels Volunteers

Our Meals on Wheels program provides a hot meal delivered to your home Monday to Friday from Alexandra Hospital as well as Tuesday and Friday from the Ingersoll 50+ Activity Centre. We are looking for volunteers who wish to provide a reassurance check for these clients along with the delivery of their meal.

Requirements: A vulnerable sector check is required with our application.

Time Commitment: Approximately one hour per week.

### Home Help & Maintenance Providers

This program is to provide affordable homemaking, maintenance, and care services to older adults and persons with disabilities that will enable them to live independently in their homes for as long as possible. We are looking for people to do house cleaning, snow removal, garden work, odd jobs etc. The Home Help and Maintenance Service is a brokered home support program managed by the Ingersoll Services for Seniors Coordinator. We ask that you keep costs low, as many seniors are on a fixed income. The average charge is \$25/hour and the client would pay you directly.

Requirements: A vulnerable sector check is required with our application.

Time Commitment: This program is flexible. You can choose which jobs you'd like to complete.

### Income Tax Clinic

We run an Income Tax clinic March 1st to May 1st through the Community Volunteer Income Tax program. We need volunteers to complete client's taxes through an E-filing software that is provided to you by the program. We run a drop off program where clients can either drop off and complete our paperwork here at the Centre and or pick up the paperwork and complete it at home. We will reimburse you for the ink and paper.

Requirements: A vulnerable sector check is required with our application.

Time Commitment: March, April, and May are the months we run the clinic. You can complete as many income taxes as you want! We usually complete just over 200 and we had 4 volunteers last year.

### Cleaning of Assistive Devices

We loan out many assistive devices free of charge. As equipment is borrowed, it needs to be washed and disinfected. For newly donated equipment, we also need to label it with our logo sticker.

Requirements: A vulnerable sector check is required with our application.

Time Commitment: Ideally one to four hours per week.

***We are always looking for new ways to assist older adults in our community.***
